Class Descriptions

Basic Yoga Brings strength, balance and flexibility to your life through basic postures done at your own pace.

PowerPump 5 minute warm-up, 40-50 min. of muscular strength and endurance followed by 5-10 minutes of stretch and cool down.

AquaWaves The best of both shallow and deep water aquafit. Aquawaves focuses on cardiovascular endurance with full body toning and an aqua stretch segment for relaxation. Aqua belts are provided for flotation.

SpinFit Get a fun, high energy workout in our SpinFit Studio.

Bootcamp Increase your strength and cardio with this non-stop total body bootcamp workout. Includes a 5 minute warm-up and cool down + stretch.

Zumba Zumba fuses Latin rhythms and easy to follow moves to create a dynamic fitness class. An effective aerobic workout!

Ab-solutely 20 minute abdominal and lower back conditioning class.

Vitality Plus Share the life enhancing benefits of regular exercise and have fun with this low-impact class combining cardiovascular exercises, muscle toning and stretching. This is a HeartWise Exercise class.

Chair Yoga Chair-based yoga focusing on posture and healthy joints that strengthens the entire body. This class is Heart Wise Exercise program.

Ballet Barre Fit Combines ballet barre exercises, with flexibility, core conditioning, muscular endurance and mat work to develop a toned physique. No dance experience is required. Suggested footwear: socks with grips on the bottom.

Core Yoga Designed to increase core strength and enhance postural alignment of the feet, pelvis and torso while improving postural alignment, awareness, balance, and stability of the pelvis and spine.

Beginner Yoga Offered at a slower pace, focuses on the basics of yoga, breathwork and movement.

Yoga Flow A dynamic style of yoga which joins physical postures and breath, creating a steady rhythm for the practice. Yoga Flow is designed to cultivate heat in the body, including sun salutations, balance and strength postures with a strong focus on the power of breath awareness.

HIIT High Intensity Interval Training will take your fitness to the next level. Intense timed exercise bursts followed by short recovery periods. It builds cardiovascular output while improving muscle strength and power to maximize calorie burning during and after the workout. **Sure it is tough, but we have a lot of fun!**
