

ANNUAL REPORT

September 1, 2021–August 31, 2022

It was a difficult start to the fiscal year with pandemic shutdowns, reopening's with limited numbers and strict COVID mandates. But, despite how the year began, the Soloway Jewish Community Centre pushed through, welcomed back past members and new ones, filled class rosters in all departments and slowly, but steadily, got back to being the busy centre of Jewish life that we aspire to be. We continued to be an important part of the Ottawa community providing a place to socialize, be active and stay connected, (even if some of it was virtual), for all.
