MISSION STATEMENT

The Ganon Preschool will pave the way toward excellence in early childhood education. Its students will develop a true love of learning as they enter a world of wonder and discovery lead by a team of truly dedicated, caring and loving teachers. At the Ganon Preschool we believe that every child belongs; regardless of their ability or religion. Through the implementation of a program that is both developmentally appropriate and rich in Jewish tradition, customs and values, each child will be prepared for the next stage of their childhood journey.
